Margaret & Pickles Re-Do "Neverland"

Wed, Aug 27th at 2pm

It all begins with Margaret & Pickles' usual afternoon of re-enacting old Broadway shows, but takes on a

strange twist when Margaret wants to do the show, "Peter Pan" while Pickles protests. The music "I Won't Grow Up," "Neverland," "I've Gotta Crow" and more. The fun: Waltzes & tangos by Captain Hook. Peter's growing pains. Tricky transformations. A sword-clashing finale.

Wed, Oct 15: “The Rise and Fall of Miss Fannie’s Biscuits” at Blue Gate Theatre, Shipshewana, IN. Use it or Lose It

New research on the human brain shows that the brain responds well to the right kind of stimuli (both mental and physical activity). In each issue of the Golden Times (space permitting), I'm going to be sharing some exercises for your brain. I'll also give some tips I encourage you to incorporate them into your daily life and let's keep ourselves as active & healthy as we can!

Counting

- Count out loud by twos up to 100 as fast as you can.
- Count backward by twos from 100 to zero.
- Now trying counting by threes up to 100.
- Now count backward by threes from 100.
- For the optimum challenge, count forward by sevens and then count backward by sevens.

Thank you to David Jocelyn for his generous donation.

Thank you to Kenneth & Joan Johnson for their generous donation in loving memory of Al Tiekens.

Thank you to Judith Mrozinski for her generous donation in loving memory of Bette Wilke.

The Naughty List!

Continuing each month, you're on the naughty list if you haven't had your picture taken. How do you know? You have an asterisk next to your name in your birthday month. It's so easy, just stop at the front desk and let them know you need to get your picture taken for the database. They'll walk you through it! Thanks!

OOPS! We missed Sue Marz birthday on July 16th. Happy Belated!

Thank you to Jim Reimann for his generous donation in honor of his wife Sharon (Cher) Reimann.
