INSTRUCTION AND ATTENTION

It is the responsibility of the Applicant to print **full** size the entire approved permit package and provide at the time of inspection.

All Engineered product shop drawings shall be stamped by a licensed Professional Engineer.

Shop drawings will be reviewed for approval by a Building Official.

Products requiring the submission of shop drawings include but not limited to, roof trusses, floor systems and wood beams.

Prior to the start of framing, email a stamped PDF copy of the shop drawings to the building department. Email to include Permit Number and Property Address for reference.

Hard copy of shop drawings to be provided to the Building Inspector at the time of framing inspection.
