WHEREAS, the Michigan City Common Council (“Common Council”) established a Riverfront Alcohol Beverage License Program pursuant to Ind. Code § 7.13-20-16.1 in March 2008, which established the Riverfront Alcohol Beverage License Program within Michigan City, Indiana; and

WHEREAS, this program established non-quota liquor licenses to be granted by the City within the Riverfront Alcohol Beverage District; and

WHEREAS, the program at its creation contemplated a fee for the licenses and specific fund for the fees to be placed into, although no fund was ever created nor had any fees ever been collected; and

WHEREAS, the City of Michigan City Redevelopment Commission (“Redevelopment Commission”) approved and adopted its Resolution No.7-2025 entitled “A Resolution Recommending Modifications to the Local Rules Applicable to the Riverfront Alcohol Beverage License Program; and

WHEREAS, the Common Council, through Resolution 4969, approved the recommendations of the Redevelopment Commission to modify those aforementioned local rules to the Riverfront Alcohol Beverage License Program; and

WHEREAS, those modifications expanded the Riverfront Alcohol Beverage District to the entirety of the Economic Development Area in which it was located and a change to the fee structure originally established; and

WHEREAS, the City now seeks to establish the relevant fund as contemplated by the program; and

WHEREAS, the City has determined it is in the best interest of the City to restrict the use of these funds to further promote, develop, and encourage dining and entertainment opportunities within not only the Riverfront Alcohol Beverage District, but within the corporate boundaries of the entire City.

MICHIGAN CITY COMMON COUNCIL

ORDINANCE NO. _____

**AMENDING SEC. 2-59 IN THE MICHIGAN CITY MUNICIPAL CODE, REGARDING
THE ORDER OF BUSINESS FOR MEETINGS OF THE COMMON COUNCIL**

WHEREAS, in August of 2010, the Common Council of the City of Michigan City adopted Ordinance No. 4108, which established a general “order of business” to be followed during all regular meetings of the Common Council; and

WHEREAS, that ordinance became codified within the Municipal Code of the City of Michigan City under Sec. 2-59; and

WHEREAS, Sec. 2-59(a)(7) of the Municipal Code includes in the “order of business” the presentation of “written petitions, communications, or written remonstrance and resolutions, except as provided for in subsection (9) of this section;” and

WHEREAS, the aforementioned “subsection (9) of this section” (namely, Sec. 2-59(a)(9) of the Municipal Code) includes in the “order of business” the presentation of “petitions, remonstrance, and communications only as they pertain to ordinances scheduled for consideration on second reading;” and

WHEREAS, the Common Council has observed that the presentation of “communications,” as contemplated by these two sections of the Municipal Code, often results in a reference, by title only, to written correspondence which may not be relevant to any topic scheduled for discussion during the current meeting, and with respect to which there is generally no substantive discussion during the current meeting; and

WHEREAS, the Common Council has observed that the authors of such “communications” are often not in attendance during the meetings at which said “communications” are referenced, and therefore can neither elaborate nor engage in discussion with respect to the content of such “communications,” even if asked to do so by the Common Council; and

WHEREAS, further, the Common Council finds that, to the extent that such “communications” are directed toward the Common Council as a whole, said “communications” can be, and are routinely, circulated to each member of the Common Council upon receipt by the Office of the City Clerk, without being specifically announced during a public meeting; and

WHEREAS, further, the Common Council finds that any such “communications” received by the Office of the City Clerk are generally matters of public record, and as such are generally available to the public upon request pursuant to the Access to Public Records Act (Ind. Code § 5-14-3-1, *et seq.*), regardless of whether or not they have been included in the Common Council’s agenda or announced during a Common Council meeting; and

WHEREAS, further, the Common Council finds that while the terms “petitions,” “remonstrance,” and “resolutions” specifically describe items which are generally presented for direct consideration by the Common Council or which may be essential to compliance with various statutes, the term “communications” is vague and ambiguous, and generally tends to lead to the presentation of extraneous information; and

WHEREAS, further, the Common Council finds that, to the extent that any individual wishes to have his or her comments reflected in a public record during a public meeting, Sec. 2-59(a)(12) of the Municipal Code provides a designated time for “comments by the public;” and

WHEREAS, further, the Common Council finds that the terms “petition” and “remonstrance,” to the extent that they remain in Sec. 2-59(a)(7) and Sec. 2-59(a)(9) of the Municipal Code, should be specifically defined within that Section; and

WHEREAS, accordingly, the Common Council recommends that the term “communications” be removed from Sec. 2-59(a)(7) and Sec. 2-59(a)(9) of the Municipal Code, and further that the terms “petition” and “remonstrance” be specifically defined within Sec. 2-59 of the Municipal Code.

NOW, THEREFORE, BE IT ORDAINED, by the Common Council of the City of Michigan City, Indiana that:

1. Subsection (a)(7) of Sec. 2-59 of the Michigan City Municipal Code shall be amended to read as follows:

(7) Presentation of written petitions, written remonstrance, and resolutions, except as provided for in subsection (9) of this section.

2. Subsection (a)(9) of Sec. 2-59 of the Michigan City Municipal Code shall be amended to read as follows:

(9) Presentation of written petitions and written remonstrance only as they pertain to ordinances scheduled for consideration on second reading.

3. Subsection (c) shall be created in Sec. 2-59 of the Michigan City Municipal Code and shall read as follows:

For purposes of this Section, "petition" shall mean "a written petition that is authorized to be filed with the Common Council as the legislative body for the City pursuant to a state, federal or local ordinance, statute, rule, or regulation."

For purposes of this Section, "remonstrance" shall mean "a written remonstrance that is authorized to be filed with the Common Council as the legislative body for the City pursuant to a state, federal or local ordinance, statute, rule, or regulation."

4. All portions of Section 2-59 of the Michigan City Municipal Code not specifically referenced within this Ordinance shall remain as written.

This Ordinance to be effective upon passage by the Council and approval by the Mayor.

ORDINANCE NO. _____

APPROVING ADDITIONAL APPROPRIATION IN THE BUDGET OF THE RAINY DAY FUND TO COVER UNFUNDED PUBLIC EMPLOYEES' RETIREMENT FUND (PERF) CONTRIBUTIONS

WHEREAS, the City of Michigan City, Indiana ("City") participates in the Indiana Public Employees' Retirement Fund (PERF) administered by the Indiana Public Retirement System (INPRS); and

WHEREAS, a recent internal audit performed by the Human Resource Department identified that eight (8) participants had "improperly retired" with PERF due to failing to have an actual bona fide separation of employment as required by IRS and PERF regulations; and

WHEREAS, of these eight (8) participants, six (6) are City employees, one (1) is a Port Authority employee, and one (1) is an elected official; and

WHEREAS, these improper retirements occurred between 2021 and 2023 before Mayor Angie Nelson Deutch took office; and

WHEREAS, the City has worked cooperatively with PERF to resolve this matter, and as a result, the employer's share of contributions must be remitted for all eight (8) participants retroactive to the date that each submitted their improper retirement applications to current; and

WHEREAS, the Mayor has recently advised the Port Authority that they will be required to remit their respective employer share for their one (1) participant once that amount has been determined by INPRS; and

WHEREAS, there are insufficient funds currently appropriated in the 2026 Budget to satisfy the missed employer contributions by the City to PERF for the remaining seven (7) participants; and

WHEREAS, it has been demonstrated to the Common Council of the City of Michigan City that it is necessary to appropriate more money than was appropriated in the 2026 Annual Budget for the City's employer contributions for seven (7) City participants to PERF; and

WHEREAS, the City Controller has determined that sufficient unappropriated funds are available in the Rainy Day Fund #2236.000 to be appropriated for that purpose.

NOW, THEREFORE, BE IT ORDAINED by the Common Council of the City of Michigan City, La Porte County, Indiana, that for the expenses of the City the following additional sums of money are hereby appropriated out of the fund named and for the purpose specified above, subject to the laws governing the same:

Re: Approving Additional Appropriation in the Budget of the Rainy Day Fund to Cover
Unfunded Public Employee's Retirement Fund (PERF) Contributions

Dear Council,

Following a review and internal audit of employee retirement records by the Human Resource Department, it has been determined that eight (8) participants, who previously reported retirement in 2021 through 2023 to Indiana Public Retirement System (INPRS), were "improper retirements." Of these eight (8) participants, only one (1) is an employee with the Port Authority, and the other seven (7) participants are with the City. These retirements were improper because these participants reported retirement from the City/Port Authority to INPRS but continued working for the City/Port Authority in their respective capacities without a bona fide separation from employment, which does not qualify as a lawful separation from employment under IRS guidelines and PERF regulations.

The City has worked with INPRS to resolve this issue. On March 30, 2026, my team and I met with INPRS virtually. During this virtual meeting, INPRS advised that the City will be required to submit the employer's contributions shares for each of these eight (8) participants retroactive to the date that each submitted their improper retirement application to INPRS. INPRS advised that they would not assess interest against the City for the missed employer contribution shares for these eight (8) participants.

In addition, during this virtual meeting, INPRS advised that they would reach out to each of the eight (8) participants to advise them that their monthly PERF benefits were voided retroactive to the date they filed their "improper retirement" application with INPRS. As a result, each of the eight (8) participants will be required to repay INPRS the PERF funds that they received from their "improper retirement." INPRS advised that they would not assess interest against any of the eight (8) participants.

I have recently advised the Port Authority of this situation regarding their employee and that the Port Authority will be required to submit their employer contribution share to PERF for this one (1) participant.

As you know, these improper retirements took place before I took office as Mayor. Unfortunately, the City/Port Authority have a financial obligation and responsibility to submit the City's (and Port Authority's) share of employer contributions for PERF to INPRS for these participants retroactive to the date that they submitted their "improper retirement" applications.

Thus, at this time, I am requesting an additional appropriation in the budget of the Rainy Day Fund in the amount of \$400,000.00 to cover the aforementioned unfunded PERF contributions to INPRS for the seven (7) City participants (not Port Authority participant) mentioned above. Thank you for your consideration.

Very truly yours,

Angie Nelson Deutch, Mayor
Michigan City, Indiana

MICHIGAN CITY COMMON COUNCIL

ORDINANCE NO. _____

AMENDING SEC. 22-83 IN THE MICHIGAN CITY MUNICIPAL CODE COMMONLY KNOWN AS THE BUILDING & INSPECTION FEE WAIVER

WHEREAS, the City of Michigan City, Indiana, by and through its Planning & Inspection Department, requires the issuance of building permits and the payment of associated permit and inspection fees for construction, alteration, and related work performed within the City; and

WHEREAS, on or about May 5, 1999, the Common Council enacted and the Mayor executed Ordinance No. 3753, which is codified in Sec. 22-83 of the Michigan City Municipal Code, and states as follows:

“The City Common Council, may waive, by resolution of the City Common Council, any and all building permit fees and inspection fees for non-profit corporations (501-3-c) that are engaged in the acquisition, creation, and construction of decent and adequate housing for those who would not otherwise qualify under normal means;” and

WHEREAS, since the enactment of Sec. 22-83, the need exists to now amend said Section; and

WHEREAS, the need exists to include building permit fee and inspection fee waiver for 501(c)(3) that are also engaged in providing “improvements” to affordable housing for those who would not otherwise be able to qualify for the same under normal means; and

WHEREAS, in addition, the Michigan City Area School (“MCAS”) and Michigan City Public Library (“Library”) are local governmental entities that operate within the geographical boundaries of Michigan City and operate primarily through the use of public funds derived from taxes or other public revenues; and

WHEREAS, the City, MCAS, and the Library have maintained a long-standing and cooperative working relationship in furtherance of serving the public interest, including coordination on community/public services, facilities and programing; and

WHEREAS, the Common Council finds that waiving a percentage of building and inspection fees for projects undertaken by the MCAS and Library promotes intergovernmental cooperation and reduces unnecessary administrative transfers of taxpayer funds; and

WHEREAS, the Common Council further finds that such a waiver does not eliminate the requirement for compliance with all applicable building codes, inspections, or other regulatory requirements necessary to protect public health, safety, and welfare; and

WHEREAS, the Common Council further finds that City resources and man hours are still expanded on building permits and related inspections when the MCAS, Library, and/or a 501(c)(3) non-profit corporations engaged in affordable housing receiving a building permit; and

WHEREAS, the City reasonably believes that it is in the best interest of the City and residents herein to amend Sec. 22-83 of the Michigan City Municipal Code to provide the Common Council with the ability to waive up to Fifty Percent (50%) of building permit fees and inspection fees for the following:

- a. 501(c)(3) non-profit corporations engaged in the acquisition, creation, and construction/improvements of affordable housing; and
- b. Michigan City Area Schools, and
- c. Michigan City Public Library.

THEREFORE, BE IT ORDAINED by the Common Council for the City of Michigan City, Indiana that Sec. 22-83 is hereby amended in the Michigan City Municipal Code and shall now read as follows:

Sec. 22-83. Waiving a Percentage of Building Permit Fees & Inspection Fees.

- (a) The City Common Council, may waive up to Fifty Percent (50%), by resolution of the City Common Council, of any and all building permit fees and inspection fees charged by the Planning & Inspection Department for the following:
- (1) Non-profit 501(c) (3) corporations that are engaged in the acquisition, creation, and construction/improvement of decent and adequate housing for those who would not otherwise qualify under normal means;
 - (2) Michigan City Area Schools, and
 - (3) Michigan City Public Library.
- (b) This fee waiver shall apply only to projects owned by or performed for the benefit of one of the entities described above in subsection (a). This waiver shall not apply to private developers or contractors except where such private developer or contractor is performing work directly on behalf of one of the entities described above in subsection (a).

This Ordinance shall be in full force and effect after passage by the Michigan City Common Council and approval by the Mayor.
